Das erwartet Sie

The EBC*L (European Business Competence Licence) certificate demonstrates business management expertise on an internationally recognized level. Due to its high degree of transparency the EBC*L is accredited by international economy. It attests the holder the core competence needed to take part in economic life. This e-learning course will improve your business know-how and vocabulary and therefore your career and job options.

Inhalte

The core course includes the topics and modules below. Each module can be completed individually and a separate certificate is also issued for each module. With a click on the respective module at the bottom of the page you get more information.

1. Balance Sheet and Key Figures
2. Cost and Investment Accounting
3. Business Law

Nutzen und Karrieremöglichkeiten

- You acquire in a compact form a sound business knowledge that supports you in challenging tasks.
- You understand business connections, think and act entrepreneurially.
- By understanding business terms, you support your company in achieving its goals.
- You acquire necessary business vocabulary to deal with international clients

Abschluss

EBC*L core graduates know the company's economic goals, the instruments for measuring goal achievement and the possibilities of each individual to make a contribution. You are a competent contact person and have the business know-how for entrepreneurial thinking and acting.

Zielgruppe

- All those who are looking for their first or a new job, or an internship
- Employees in accounting, controlling, sales / purchasing / works councils, etc.
- Executives, high potentials, project managers (e.g. technicians)
- Assistants to the management and divisional management
- Employees and managers, who want to improve their business English

Bitte beachten Sie
